

Digging to China

Debbie decided to dig a hole so deep that she would come out in China. She got her spade and started digging. It was hard work. Deeper and deeper she went. The hole was so deep now that it was over Debbie's head. She was getting very tired. She was just about to give up when her spade hit something hard. It was a box. Debbie opened the box and inside was treasure! That was even better than getting to China! ■
