We can make a prayer space too!

Circle the things you can put into your home prayer space.

This week, we learn about some of the places where we can pray, including the church. We talk about our classroom prayer space, on which we put items that help us to remember that God is always with us.

Chat Together

About what you and your child might pray for together: What are you thankful for? Is there anyone in your family who needs your prayers?

Pray Together

Do you have special things in your home that help remind you of God? Set up your child's own prayer space. Light the candle on your child's prayer space and say a prayer together before bed. The most important prayers your child is learning are printed on the inside back cover of this book.

What else can you put in your prayer space?
