

Senior Infants

Master Your Maths (Mental Maths)

Complete Weeks 19 and 20 and go back over any circled questions (these need to be looked at again)

Mathemagic

We had just started work on the number 9. Please complete pgs. 62, 71, 72, 74, 75, 94 and review pgs. 58 and 59.

Some of the children have coloured tabs in their maths book.

These indicate unfinished work. Please finish as many of these as possible.

Spellbound

- Complete Weeks 18 to 20 (including week 20)
- Simple dictation could be carried out based on Spellbound words. This would involve parent choosing words from weekly activities and calling out 4 sentences making use of chosen words. The children will write the sentences into their handwriting copy and can draw a picture to match one of their sentences. (Sample in handwriting copy)

Readers

In homework folders

All Write Now

Complete pgs. 19, 21 and revision pg. 22 and work through as many unfinished pages to this point as possible.

Dolch List 7

Practise reading the words in table below. Choose 4 and put them into sentences in handwriting copy.

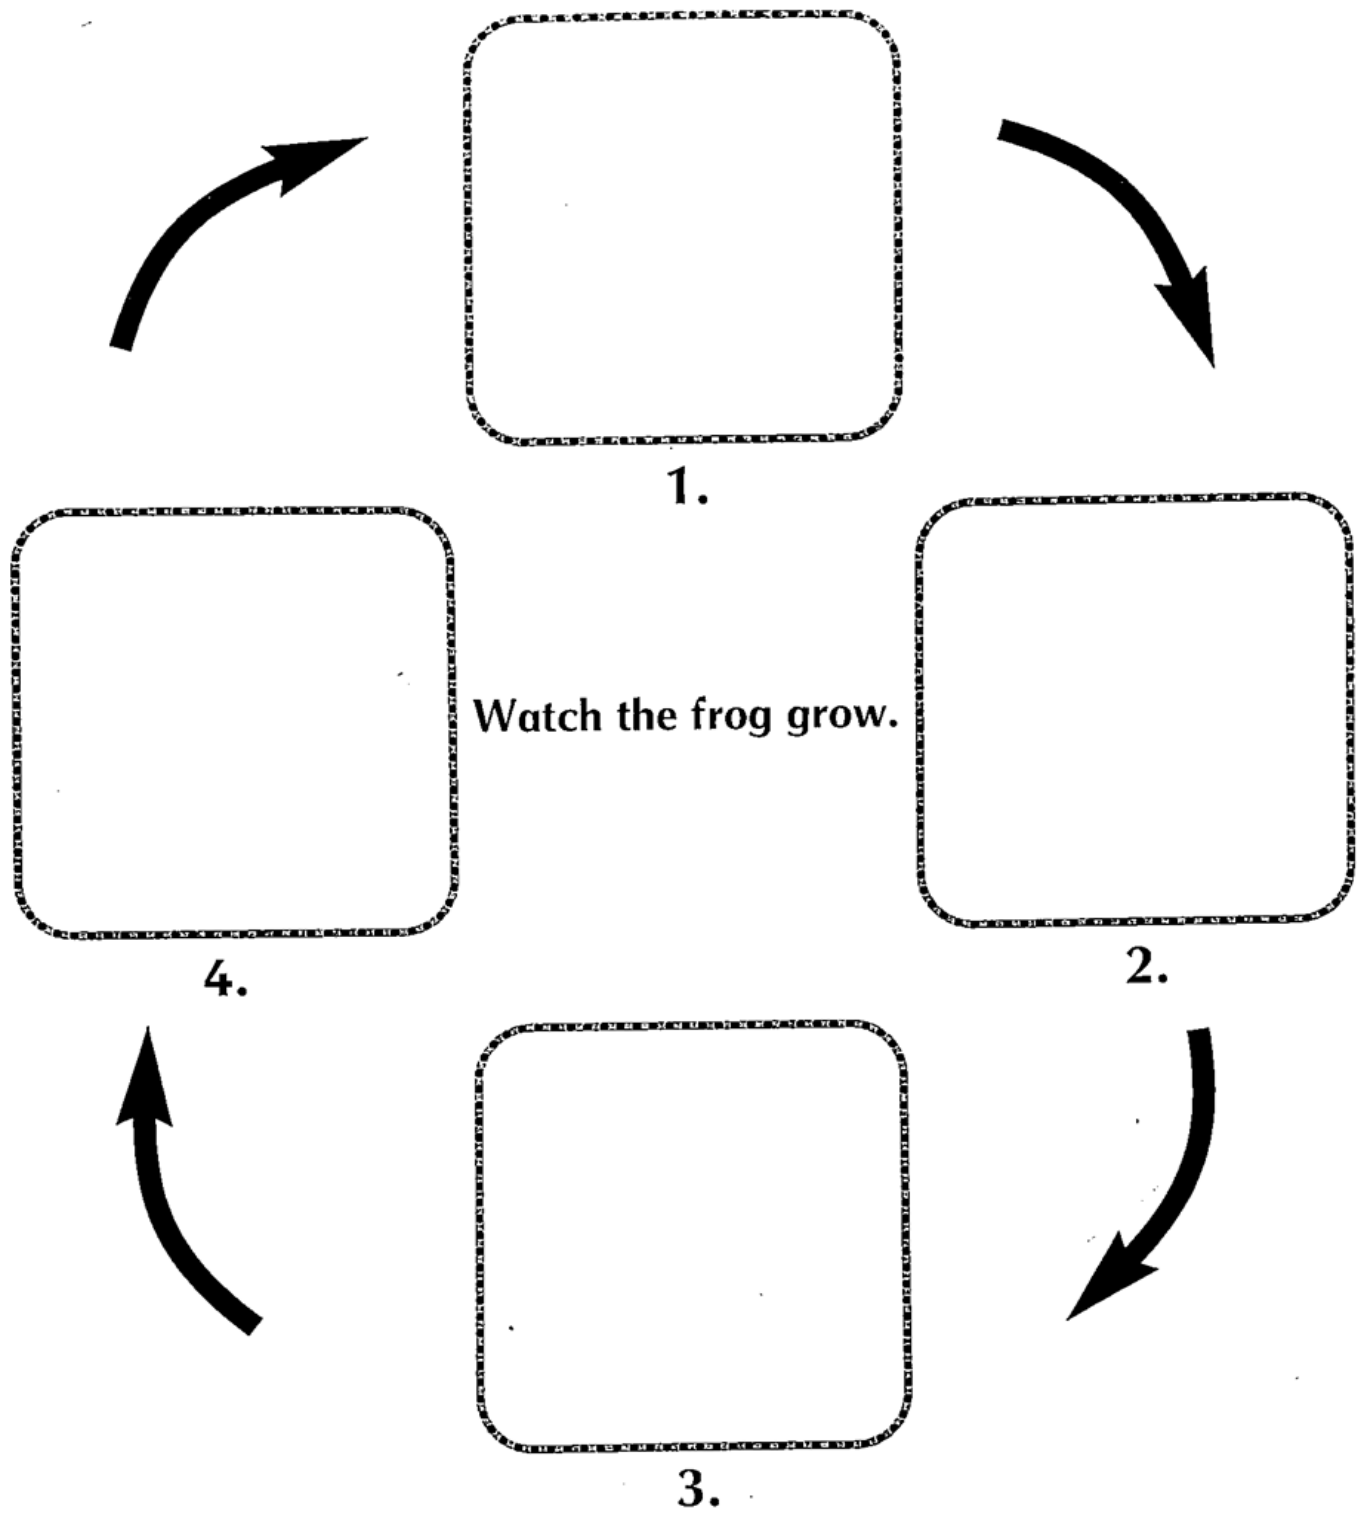

Dolch List 7

walk	again	stop	cold
two	play	off	today
or	who	never	fly
before	been	seven	myself
eat	may	eight	round

Life cycle of a frog

This was covered in detail in school. Please complete the cut, stick and colour activity attached.

A frog's life

Cut and paste in the correct order.
