

5th Class: Week beginning Monday, 8th February

Good morning everyone. I hope you all well. This is an outline of the work for the week ahead. I will be adding items to SEESAW during the week so it is important that you check your account in SEESAW and read the announcements that I post there. Please read/listen to the feedback I give you on the work you send me. I will post notes, videos, documents in each folder.

If you have any questions you can send me a message via Seesaw in the following ways: you can type a note, send a voice recording or a video recording and I will get back to you.
