

6th Class: Week beginning Monday, 1st February

Good morning everyone. I hope you all well. This is an outline of the work for the week ahead. I will be adding items to SEESAW during the week so it is important that you check your account in SEESAW and read the announcements that I post in Seesaw. Please read/listen to the feedback I give you on the work you send me. I will post notes, videos, documents in each folder.

If you have any questions you can send me a message via Seesaw in the following ways: you can type a note, send a voice recording or a video recording and I will get back to you.

Please lay out your written work as you have to lay it out in school i.e. draw margins, write the date, page no. and book, number all answers to questions, write neatly and use correct punctuation. It is really important to follow the daily plan of work. Please send me your work by 4 p.m. daily.

The February edition of The Primary Planet can be accessed online. You can access it via this link. <http://www.newsmagmedia.ie/Previews.aspx> Click on the red box Issue 99 Feb. 2021.

Try the daily Mental Maths quiz on the Primary Planet website. If you log your answers online you could be in with a chance to win a prize at the end of the week. I would encourage you to try these quizzes.

I look forward to talking to you online in Seesaw.

Take care.

Ms. Gill

ART:

The Mona Lisa painting hangs in the Louvre Museum in Paris. The Mona Lisa is a portrait painting – an image of a woman called **Lisa del Giocondo**(15 June 1479 – 15 July 1542). She was an Italian noblewoman and member of the Gherardini family of Florence and Tuscany. Her portrait was commissioned by her husband and painted by Leonardo da Vinci during the Italian Renaissance.

We know a little about Lisa's life. We know that she was born in Florence and was married to a cloth and silk merchant who later became a local official. She was a mother to five children and led what is thought to have been a comfortable and ordinary life. Little did she know that centuries later, her portrait the *Mona Lisa* would become the world's most famous painting.

Your task: Draw a portrait of someone in your family or a friend or a pet or you can sit beside a mirror and draw a self-portrait. You can use any medium you wish:- pencils, crayons, markers, paint. Please send me your portrait pictures in Seesaw.
