

6th Class: Week beginning Monday, 18th January

Good morning everyone. I hope you all had an enjoyable weekend. I am setting out an outline of the work for the week here but I will be adding items to SEESAW during the week so it is important that you read announcements in SEESAW and look at your folder. I will post notes, videos, documents in each folder.

If you have any questions you can send me a message via Seesaw in the following ways: you can type a note, send a voice recording or a video recording or you can email the school and I will get back to you. Please lay out your written work as you have to lay it out in school i.e. draw margins, write the date, page no. and book, number all answers to questions, write neatly and use correct punctuation. Please send me your work daily.

There will be some activities based on the January edition of The Primary Planet online. You can access it via this link. <http://www.newsmagmedia.ie/Previews.aspx> Click on the red box Issue 98 Jan. 2021. There is a daily Mental Maths quiz on the Primary Planet website, which would be good practise for you all. If you log your answers online you could be in with a chance to win a prize at the end of the week. I would encourage you to try these quizzes.

I look forward to talking to you online in Seesaw.

Take care.

Ms. Gill

ART:

Read the poem: Winter Morning by Ogden Nash and paint/ draw your own picture inspired by this poem.

Winter Morning

by Ogden Nash

Winter is the king of showmen,
Turning tree stumps into snow men
And houses into birthday cakes
And spreading sugar over lakes.
Smooth and clean and frosty white,
The world looks good enough to bite.
That's the season to be young,
Catching snowflakes on your tongue!
Snow is snowy when it's snowing.
I'm sorry it's slushy when it's going.
